

# “Love Is The Answer”

Discussion/Study Material for the podcast from Sunday 10/12/2014

From Marianne Williamson's *The Law of Divine Compensation*, page 23-24:

“Putting love first isn't a life of 'sacrifice,' as many have been taught. In fact, it's quite the opposite. Putting love first means knowing who you are and that you're entitled to miracles. Putting love first means knowing that the universe supports you in creating the good, the holy and the beautiful. It means knowing that you're on the earth for a purpose and that the purpose itself will create opportunities for its accomplishment.”

Discussion/Study Questions:

1. What are some of the ways we can “put love first?” How can we view our lives through the “eyes of love?”
2. Do you feel that your life has a purpose? Can you articulate your purpose?
3. How does a negative self-image hinder our ability to utilize the Law of Divine Compensation?
