

“One Source; One Infinite Supply”

Discussion/Study Material for the podcast from Sunday 10/21/2018

From Jim Rosemergy's Book *Even Mystics Have Bills To Pay*, pages 49-50:

“When we are consciously one with God, we *cannot* want. We have everything. There is nothing for which to ask.

“This awareness is the herald of true riches and well-being. It is more than a feeling of security that gives us solace for the moment. It is evidence of a consciousness that we first feel as fulfillment, but which will, like any state of consciousness, manifest itself as our life experiences. Through it, our earthly ends are met.”

Discussion/Study Questions:

1. Why is the experience of *wanting* things counter-productive to *receiving* things?
2. How does Unity with Spirit bring “true riches and well-being?”
3. Do you have examples where your connection to God/Spirit has prospered you?
