

**Ministerial Search Committee**

August 30, 2023

To whom it may concern,

It is with great pleasure that I write this letter of recommendation for Bridget McCann for the position of Senior Minister.

Ms. McCann has appeared before me on several occasions over the years, each time was a very pleasant experience. Ms. McCann is prepared, organized, and just a complete joy. I also had the opportunity to seek her out for legal advice when I needed additional training and was able to gain a greater understanding of my duties and responsibilities as a magistrate.

More important, however, Ms. McCann is kind, compassionate, and a champion for those in need. She currently serves a vulnerable population, and I will miss her in my courtroom. Part of me wishes she would continue to serve in her capacity as a lawyer, but that is a selfish wish because her talents, training, communication skills and demeanor are meant to serve a higher purpose.

I am honored to offer this letter of recommendation for Bridget McCann and respectfully ask that you and/or the committee accept Ms. McCann as a Senior Minister.

If you have additional questions, I would be delighted to speak with you and share more wonderful experiences I have had with Ms. McCann. [REDACTED]

Sincerely,

[REDACTED]
