

Mile Hi Church

It's different here.

TO WHOM IT MAY CONCERN:

I highly recommend Bridget McCann for the position of minister. I have had the privilege of experiencing Bridget as a practitioner student and ministerial student. Bridget is a deep thinker. What makes her radiate is her depth of heart combined with her brilliant wisdom. She is open and honest and has a way of being present for others with "Ears on her heart."

She lives from the vision of seeing all beings and applying the shave of compassion. She also is a person who will roll up her sleeves and put in a hard day work to assist others. She knows how to grow community and has been invited into the roots of indigenous communities to respectfully serve, learn and grow.

Her radiance of love is contagious,

Sincerely,

Rev. Dr. Patty Luckenbach

Associate Minister, Mile Hi Church
