RE: RECOMMENDING REVEREND BRIDGET MCCANN FOR POSITION OF SENIOR  
MINISTER

It is my joy to recommend Reverend Bridget McCann for the position of senior minister.

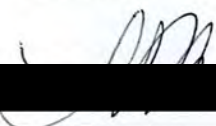

I have known Bridget for over 13 years. During this time she has been a Practitioner client, prayer partner and friend. We also served together as members of both Mile Hi Church's Foundation Board and its Board of Trustees. I have also had real estate and attorney relationships with Bridget and, of course, the integrity and expertise has always been the through line of our interactions.

From these vantage points, I consider Rev. Bridget to be the most talented minister awaiting a pulpit in our movement. Her path has pointed True North along the way as she has meticulously merged her acute business and organizational acumen, a compassion born of life experiences and earnest study and spiritual knowledge second to none, and people skills that lead to dynamic group collaboration and consensus. Rev. Bridget is a fast learner, always prepared, and catches up to situations at a pace I've rarely if ever experienced.

Rev. Bridget brings a passionate commitment to her life endeavors, and she accepts only successes as manifestations. She loves challenges and has thrived and met these challenges in many areas of her life. Rev. Bridget is perfect for a community awaiting growth, spiritual deepening, healing and unlimited dynamic possibilities that emerge from collective vision.

I highly recommend Reverend Bridget McCann for the position of Senior Minister.

Please feel free to reach out to me with any questions or for more elaboration about our beloved Reverend Bridget McCann.
