Ministerial Search Committee

Rev. Bridget McCann has been serving as a minister since July 2021 at Unity of the Mountains, located in Edwards, Colorado. We do not have a full-time minister, and therefore use visiting ministers to serve our congregation. She delivers a meditation, a 20-minute message, prayer requests, and is available to meet with our members after the service.

Rev. Bridget is a favorite of our congregation; her messages are well prepared and well delivered. She uses a wide range of sources to prepare them, including "New Thought" materials (like CSL and Unity), biblical references, her wide past experience, and many books, and information from other spiritual sources, such as other spiritual leaders.

Rev. Bridget is very mature, warm, friendly, empathetic, and interacts well with our congregation during and after the service. She is available to provide insight regarding her suggestions for spiritual growth and general life issues to anyone who asks.

She is extremely reliable, and courageous, and has driven the roads from Denver to the Vail Valley despite heavy traffic, road blockages, and snowstorms. She has always been on time and never cancelled.

She started with us when she was still in the CSL seminary, and we have seen her grow in her subjects, delivery, poise, and power. Her last sermon on Martin Luther King Jr was extremely powerful and inspiring.

I would highly recommend Rev. Bridget McMann to serve your congregation.

Sincerely,

Jerry McMahan

Unity of the Mountains Administrator
