Re: Bridget McCann

To the Ministerial Search Committee:

I am delighted to have been asked by Bridget McCann, who is a recently licensed Minister in Centers for Spiritual Living, to write a letter of recommendation on her behalf in support of her application for the position of Senior Minister in one of CSL's Member Communities.

I first became acquainted with Bridget in my role as head of CSL's Legal Committee late last year, when she volunteered to participate on our committee; and Bridget has participated in almost all of our monthly committee meetings this year. In the projects we have undertaken, Bridget has not only consistently demonstrated a keen understanding of legal principles, but she has also quickly become a proactive instrumental Member of our committee. Bridget is personable, well-liked, and has provided valuable insight into the issues we have faced this year in the Legal Committee. She has an innate ability to connect with people and has already demonstrated extraordinary leadership skills in her service with the committee.

I wholeheartedly endorse Bridget for a Senior Minister position in any CSL Member Community. I believe Bridget would be an exemplary candidate to lead a CSL Community, and that her unique blend of legal and leadership expertise, spiritual dedication, and interpersonal skills would enable her to serve a CSL Community with the same passion and commitment she has shown on our Legal Committee.

Please feel free to reach out to me directly if you require any further information or clarification regarding Bridget's qualifications and suitability for a ministerial position.

Best regards,
